Director  
Central Intelligence Agency  
Washington, DC 20505

Dear Sir:

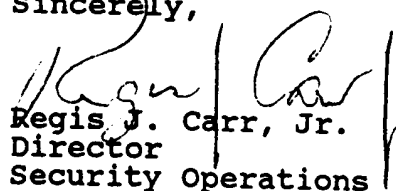

We at TRW have a very active Security Awareness motivation program and we like to call on experts to address us on concerns facing a large corporation trying to maintain a good security program. Several of our staff had the opportunity to hear [redacted] speak on the subject of narcotics.

This letter is to request that you permit Mr. [redacted] to visit California and address TRW employees on any phase in his area of expertise as the National Intelligence Officer for Narcotics. If [redacted] can speak in the afternoon we will have an audience of approximately 600 people.

TRW will finance this trip if you so desire and if your decision is affirmative please have him contact us for a mutual date. I can be reached at 213-536-1931.

Thank you for your consideration of this request.

Sincerely,

  
Regis J. Carr, Jr.
